About Our Coalition

MHC is a coalition of approximately 300 individual and organizational members—including non-profit housing developers, financial institutions, service providers, and neighborhood and advocacy groups. MHC strengthens, unites, and mobilizes private and public resources to provide fair, accessible, and affordable housing for everyone in our Louisville community.

Corporate Giving

Membership and corporate giving are vital to MHC's mission, providing sustained support for our work while offering organizations meaningful recognition through sponsorships, visibility, and year-round engagement opportunities. This partnership not only strengthens community impact but also aligns organizations with a cause that reflects their values and commitment to social responsibility.
